

Solar-Powered Coolbox SC 24-50

Product code	SC 24-50
Coolbox capacity	24 litres
Cooling effect	20 degrees C below ambient temperature
Motor type	Brushless, 30,000 hours warranty
Material	Polyurethane foam
Solar module peakwatts	50 W
Battery type	Deep-cycle carbon fibre 12V
Battery capacity	100Ah @ C20
Battery autonomy	22.5 hours
Battery weight	19.6 kg
Solar charge controller	PSR 4 4A 12V
Module support	SMS70, ground or roof assembly
Solar cable	2x2.5mm ² , 5m long
Total weight	32 kg
